

# Derelict Dream

## Tech Rider

**Members:** 3

**Instrumentation:** Drums, Bass, Guitar, 2 Vox

### **Equipment:**

Modeling Amp: Needs 2 mono inputs, L+R Panned. (Can Accommodate for 1/4 inch or XLR inputs)

Bass: Bass Amp: Can be cabbed or just DI'd to the desk

Drums: Standard Setup, Single Kick drum, 4 to 5 cymbal stands.

### **Extra Equipment:**

Soundcraft Mixing console: We use this for our backing track, we'll just need 2 mono inputs into the desk for this. L+R Unpanned. (We can only accommodate 2 1/4 jacks for this)

We will also need a monitor send to the soundcraft from the desk. 1 1/4 inch mono. We'll be wanting bass, guitar, vocals and drums (If Possible), no backing track in this send.
